# COURT FINES CENTENNIAL CHAIRMAN $50

Haliburton County's Centennial Committee Chairman, Gary Agnew, Reeve of Monmouth Township, was fined $50 in Minden Provincial Court Tuesday after he pleaded guilty to selling liquor without a permit during a Haliburton County Centennial weekend celebration at Wilberforce last August.

A written statement read to the court revealed that Ontario Provincial Police found a canoe filled with bottles of beer and crushed ice from which beer was being sold when they raided the Wilberforce Arena early Sunday morning, August 18. Some 190 bottles of beer were seized.

Reeve Agnew told the court that at the time of the raid that participants in the Centennial weekend festivities were continuing celebrations which included a Centennial Ball begun the day before and for which a permit to sell liquor and beer had been obtained. No permit had been sought for Sunday.

The centennial weekend was just one of literally dozens of special events held throughout Haliburton County during the current year to celebrate the county's 100th birthday.

Commenting on the case, Judge G.F.W. Imrig pointed out that Reeve Agnew had been acting on behalf of the community and not for personal profit.

## FIVE GENERATIONS

Five generations of mothers and daughters whose combined ages total more than 213 years met Sunday at the Minden home of Ed and Jean Pritchard. On hand was month-old Jessica Marie Thompson of Bayville, her mother Mrs. Sharon Thompson, 22, her grandmother Mrs. Pritchard, 43, her great grandmother Mrs. Jean Blust, 65, of Kinmount and her great-great grandmother Mrs. Flora Bailey, 84, of Brighton. With 10 grandchildren, 34 great grandchildren and 3 great-great grandchildren it is unlikely Mrs. Bailey or any of the others for that matter, will ever lack family companionship.

## Dancers visit school

BY
MRS. ROBERT FREEMAN

On Friday, Sept. 27 a group of young people from Honduras demonstrated their native folk dancing at the Archie Stouffer Elementary School, Minden, for the teachers and students.

It was very well done, the Hondurans dressed in their national costumes.

The young people danced three numbers, then sang a Spanish song, much to the delight of everyone.

The Honduran young people were thrilled at their reception by pupils and teachers. A tasty snack was enjoyed before the group returned to South Lake Lodge. Many thanks to the principal, Mr. Baker and his staff for their hospitality.

## Curling Club news

BY PEG PETTINGER

The annual meeting of the Minden Curling Club was held Wednesday evening, Oct. 2, 1974 at 8 o'clock, with a very good attendance. Bruce Sarlinse, the President, chaired the meeting. The elections followed for the 1974-75-76 seasons.

Doug McGee was chairman of the nominating committee assisted by Ed Pettinger and Jerry Durant, while the scrutineers were Lorne Coburn and Herb Gill.

The following officers were elected:

President - Ed Pettinger
Vice-Pres. - Doug McGee
2nd. V-P. - Jane Graham
Sec.-Treas. - Bob McIntosh
Assist. Sec.-Treas. - Helen McCallum

Directors:
Lyle Archer, Doug Campbell, J.O. Jackson, Lee Johnson, Robert McCallum, Leona McIntosh, Sandy Stewart, Pat Taylor, Watson Yake.

Membership and Schedule Chairman Robert McCallum assisted by Lorne Coburn, Frank Waters, Phyllis Campbell and Peg Pettinger.

Chairmen of the Ways and Means Leona McIntosh.

The Curling Club is holding open house on October 26 at 8 o'clock. All members and prospective members are welcome. There will be refreshments served, as well as a light lunch - for a minimum charge.

The ice will be ready and curling instructors will be available to instruct new curlers. Anyone interested in joining please contact membership chairman Bt. McCallum at 457-2256.

## Tackle cystic fibrosis

The sale of Hallowe'en candies by Kinsmen later this month will mark the start of a six-months-long campaign by Minden's Kinsmen Club to raise funds on behalf of cystic fibrosis.

To back the fight against this dangerous disease of childhood, the Kinsmen have planned a variety of projects in order to achieve their fund goal of $1,000. Besides the sale of candies, there will be a 'Cystic Fibrosis Dinner' at Minden's Community Centre November 23 (tickets available from Kinsmen Club members) plus a Kinsmen Hockey Tournament Feb. 15 in Minden, with the Minden Kinsmen Club hosting participating Kinsmen hockey teams from as far away as 100 miles.

## W I meeting

BY IRENE MOORE

On Sept. 18, 1974, twenty-two ladies travelled to the home of Mrs. Alice Todd for the September meeting of the Women's Institute.

The President, Mrs. M. Sears called the meeting to order and after preliminary business was dealt with, Mrs Allen Taylor reported sending 66 cards over the summer months.

Mrs. Alice Todd, Convenor of Family and Consumer Affairs, gave a short paper on textiles, and passed out pamphlets for the members to keep and study so that one would be sure to get what one was paying for, and believe me, today that is something we have to be careful about, as our money will just stretch so far and no further.

The Roll Call for the meeting was 'A Shopping Beef' and these beefs were many and varied, but it all pointed to one question - why so many prices varied even here in Minden and what could be done about it.

It was decided to sponsor a special project for the schools of Haliburton County. This project to be shown and judged at Minden Fair in 1975 and the prize - money to be raised from $20.00 to $25.00. A card party was planned for Sept. 23 with members supplying lunch and prizes. The Hostesses who volunteered to serve Tea at Hyland Crest Home on Thurs. Oct. 31 were Mrs. Alice Todd, Mrs. A. Windsor, Mrs. J. Hubig and Mrs. Jean Taylor.

The October meeting will be held at the home of Mrs. Lyman Cox on Wed. Oct. 16, all members to meet at the Post Office at 1.30 p.m. The meeting was then closed and the members enjoyed a social time over the teacups.

## HERE and THERE with Fenwick Finch

Doin' a colyum is right tough and every once in a while someone slips in an extra letter and that changes everything - last week's colyum had a real zinger (of course, my writing ain't all that good what with my arthuritis and all) we'll have to correct 'er right here!

The phrase was - 'how long can the 'dwindling' number of producers etc. etc. The letter 'd' became 's' which made it a whole new bag of snakes. Maybe, in this case either 's' or 'd' would work but the correct word was 'dwindling'.

For more years than I care to remember I have held the opinions of one man very highly -- he has retired from the Presidency of the Woodward Governor Co. of Rockford, Illinois, but still writes the odd editorial for them. In the next two issues, I'd like to use one of his latest which hits what I've been sayin' all along -- we're payin' too dang much for the service we get and we're being 'ripped off' left and right -- the questions -- how long is we gonin' to stand for it?

We'll be on holidays for a week so -- for Pete's sake, drive carefully and be around when we get back. I never knew that so many 'jackasses' could drive cars, but they's a lot of them sure awful anxious to be 'early' into the hereafter and they's goin' to be a few git their wishes -- hopefully they'll not take me or an innocent bystander with them.

So -- let's have a look at what my good friend Irl C. Martin has to say from his years of experience.

See you, hopefully, in two weeks.

I came as most of you know from the prairie lands of Nebraska. In my youth economics was a process of barter or trade. In general, each family was pretty well self-sufficient. We had a basic understanding of the requirements for survival -- food, clothing, and shelter. We raised our own food, built our own homes, made our own clothes, provided most of the necessary services; or we raised sufficient extra spending crops or provided extra wanted services with which to barter for those things we could not raise or make. Money - gold or silver, but mostly silver - was used primarily as an equalizing agent to complete a barter or trade and to purchase services we could not ourselves provide or produce. Paper money was scarce because there was an inherent distrust of paper money - and actually there still is. There is no intrinsic value to paper money. It is a simple promise to pay and is only good if the maker is financially responsible. Neither gold, silver, nor paper money are within themselves capable of sustaining life.

Our local citizenry depended primarily on natural assets (land, water, fresh and stored fuels and edibles), faith in the Lord, and an honest and impartial enforcement of the law of the land. We learned to manage and live on what we had and how to save and store for occasional unproductive seasons. Basically we had the necessary ingredients - raw materials and productive work. Everybody willing to work and conserve could make and maintain a sustaining and adequate living standard. Conscience required everybody to work if they were able. Those who could not work were supported willingly but reasonably by those who could. This was 'care of the people' directly by the people' who knew for whom care was needed and the kind and extent necessary. The number of people on what we now term 'welfare' was very small - family conscience prohibited unneeded charity. Almost everybody was a basic producer (one who with contributive help grows agricultural products or manufactures crude materials into articles of use), and, consequently, the ratio of producers to nonproducers (nonessential and basically noncontributive) was very high. Taxes were moderate because government confined itself to its Constitutional job, and there were no subsidization programs. People in general were hard working, honest, fair, conscientious, and dependable - or they were definitely ostracized.

Time, dishonesty, hypocrisy, laziness, greediness, and irresponsibility have drastically increased the ratio of nonproducer to producer. Today the number of actual producers of the basic requirements for survival and the necessary and related services is a dangerously small percentage of the total population. Regardless of the theoretical or idealistic arguments in favor of supporting the lazy, greedy, and the irresponsible, and the provision of desirable but unneeded and noncontributive services, there is a basic question as to how long the dwindling number of producers can support the continually increasing number of nonproducers without a complete moral, social, and economic collapse.

Youngsters in my day were pretty much the same as they are now, but with some very important differences. Were spanked by our parents taught us discipline, work habits, and respect. We worked whether we liked to or not for our families as contributors to family maintenance and upkeep. Occasionally we farmed out our individual services as a means to education and spending money. Increasing responsibility and authority consumed our maturity as we grew to adulthood.

# UFO's BEYOND REASON

by

PETER G. SWEET

## WHAT REALLY DID HAPPEN ON THE MOON

26th In A Series

On Apollo 17, just as the lunar Rover had been deployed on the lunar surface, something flew over the heads of the astronauts landing on the Rover with an explosion destroying part of its high-gain antenna and knocking off a rear fender of the Rover. There is no explanation as to what it was in the communications transcripts, only a reference that a similar thing had occured on another mission; it may have been a meteorite.

Also during the Apollo 17 flight, command module pilot Al Warden reported an object with flashing lights on the eastern edge of Orientale crater. To this CAP COM asked, 'You don't suppose it could have been Vostok?' Up to this point in time, Russia supposedly had not landed a space ship on the moon.

Scientifically, man's first explorations of the moon have raised more questions than they have provided answers, but one common thing was experienced by all the astronauts. It seems, their brief journeys away from 'Mother' earth changed their concept of reality. They all reported that being in space gave them a feeling of 'cosmic awareness' (psychic), that man, though insignificant, is a part of the total universe.

One astronaut, Edgar Mitchell, felt so strongly he has founded the institute of Noetic Sciences in Palo Alto, California. This is a non-profit organization to perform research on mind-body relationships, presently concentrating on psychic healing techniques.

'After three years study,' Mitchell stated, 'I am convinced we are dealing with real phenomenon. I am convinced we are on the threshold of a vast and amazing breakthrough in science, we are on the threshold of a major scientific breakthrough that will let us heal ourselves--without medicine. I believe the critical breakthrough could come in three to five year's time. It could mean a whole new future to mankind, a futre of harmony.

This is the last article in this series on UFO's. I hope that over the past 25 weeks, I have been able to add in some small way to your understanding of this phenomena. The subject is a complex and confusing one, the evidence covers a varied range.

Some things have not been included in this series as I have believed them to be of doubt-pertinence.

There seems to be a less cynical attitude today than in the past on the part of certain governments towards UFO's and hopefully in the future they will provide more information adding light to the mystery of just exactly what UFO's really are, where they come from and why they are here.

For the future, as new information crops up, I will try to present it either in this column or The Progress generally.

## In Memorium

JOHNSTON

In loving memory of our dear brother Myles who died Oct. 11, 1968.

To your resting place we visit
And place the flowers with care
But no one knows the heart ache
When we turn and leave you there
A part of our hearts you took with you
But your love you gave us to keep
So we are never really parted
The bonds between us were too deep.
Sadly missed by brother Glen, sister Lynda.

## In Memorium In Memorium

JOHNSTON

In loving memory of our dear son Myles, who was killed Oct. 11, 1968.

No one knows the silent heartache only those who have loved and lost can tell.
The grief we bear in silence for our son, whom we loved so well;
As we look at your pictures
You seem to smile and say
Please don't cry. I'm only sleeping
We'll meet again someday
When evening shadows are falling
And we feel so all alone
To our heart there comes a longing
If you only could come home
The flowers we place upon your grave
May wither and decay
But the love for our darling who sleeps beneath, will never fade away.
Sadly missed by Mom and Dad.

JOHNSTON

In loving memory of a dear brother Myles who died Oct. 11, 1968.

We never thought his death so near.
Though absent you are very near.
We miss you more than anyone knows
As each day passes, our emptiness grows.
The tears we shed will wipe away
But the ache in our heart will always stay.
No one knows the grief we bear,
When our family meets and you're not there.
You left us suddenly,
Your thoughts unknown,
But you left us memories.
Sadly missed and always remembered by sister Carolyne and Brad Redner.

## Apple Day

For a few score Minden boys this Saturday, October 12, will be one of the most important days of the year... 'Apple Day'.

Yes, it's Apple Day for Minden's Scouts and Cubs; the day when the youngsters will be asking you to buy an apple and help support Minden area scouting.

What does scouting mean to Minden? Why support it? The list of benefits accruing to each and every community supporting scouts and cubs is great. Front and centre is character building...the development of reliable, dependable youth of good moral fiber...of youth who know the meaning of integrity, personal dedication to a job, community spirit and accomplishment.

Scouting has brought these gifts to Minden in abundance. Just last Spring, for example our Scouts and Cubs solicited funds for and planted some 10,000 trees in the Community Centre grounds.

Let's say 'thanks kids' and buy an apple this Saturday.

## Best Team

The U.S.S.R. vs. Canada hockey series is now over and despite a great effort by Team Canada, it lost. The Canadians just didn't measure up to the U.S.S.R. shinny experts who have been playing together as a team much longer than the Canucks, and showed it.

But all we've heard ever since have been alibis. Team Canada's loss of the series has been blamed on poor refereeing, inadequate addommodation, customs delays that cost them a practice, you name it...anything and everything but the real reason: the U.S.S.R. team was the best team!

## Trail Blazing

Early this past summer, six youths, five from Minden and one from Wilberforce embarked on an Opportunities for Youth project which they termed 'A Concept Plan for Outdoor Recreation and Outdoor Education Experience'.

Backed by an O.F.Y. grant of $5,300 the sextet set out to explore a variety of canoe routes and trails in the Minden area. Tracing and re-tracing the routes again and again, they selected the best, then identified portages and campsites, tested the water and cleared away dangerous logs.

In late August the group published a catalogue of six routes ranging from four to 40 miles in length. It included a description of each route, a detailed map of each and a description of wildlife likely to be encountered.

The catalogue is available from the Haliburton Highlands Chamber of Commerce and, in limited quantities, from the Progress.

The young people - Marg Ackerblade, Laurie Brown, Barb Payne, John Sanderson, Kirk Hewitt and Harold Morgan - are to be commended. They've done an excellent job. Obviously, the art of trail blazing is not yet lost.

## DOLLARS & GOOD SENSE

by WILLIAM J. MARTIN

Houses are increasing in value day by day, it seems, but a home's worth varies. You can still save a lot of money if you know how to shop.

Although you can often reduce the price of brand new homes, the greatest opportunity for savings lies in the resale house. As with any major purchase, the more homework you do, the better bargain you might obtain.

Find out how long the house has been on the market. The longer it's been available, the more likely it is that the owner will be willing to take a lower than asking price.

Find out something about the reason for the sale. Is the owner being transferred and needs to sell in a hurry? Is the sale part of a divorce or estate settlement?

The more you find out about the sale, the better equipped you will be to make the best possible bid. Don't be afraid to go to 20% or more lower on a bid.

Bidding low will sometimes be disappointing when you lose out to a higher bidder, but you'll be surprised at how well you might be able to do with a low bid. Learn to haggle a little. Be a shrewd shopper, or if you can't be, then have someone represent you that is. The savings could be substantial.

Passing In Review

# LETTERS

Gull Lake,
Oct. 4, 1974

The Minden Progress,
Mr. Foote,
Editor.

Dear Sir:-

Will you please print this short note to assure Simpson Sears that theirs was not, definately not, the office I mentioned in my letter of Sept. 19.
On the contrary, I have always received good service and friendly courtesy in both the original office on the Main Street and the new one on Bobcaygeon Road.

Thank you.
R. McGill.

---

The Editor,
The Minden Progress,
Minden, Ontario.

In September, two kindergarten children died in an accident involving a school bus. Perhaps nothing could have saved those young lives.

Perhaps all the safety precautions possible could not have prevented this tragedy.

[illegible] school day, the[illegible] Ontario parents t[illegible] lives of their children to [illegible] familiar yellow school bus.

We must do everything possible to recognize and respect this confidence.

As an organization directly concerned with children, Ontario Public School Men Teachers' Federation has a major responsibility to demand improvements in school bus safety standards.

To do this, we shall bring pressure on all agencies in a position to make these changes. I call on all individuals and organizations interested in this vital matter to join in this campaign. In turn, I pledge the full support and co-operation of OPSMTF.

Currently, provincial legislation on school bus safety standards is weak. The onus is on individual school boards to assure that adequate safety precautions are taken. Unfortunately, too few boards have taken positive steps towards improvement. As a result, it is our responsibility as teachers, parents and concerned citizens to highlight this problem and to press for corrective action.

In 1973, our organization completed an extensive study of safety regulations and practices with respect to the transportation of elementary school pupils. In the report, the situation in Ontario was reviewed and compared with practices in other jurisdictions. Several specific recommendations were made to improve the situation in Ontario. A summary of our recommendations is available from our office.

We have a long way to go to reach the level of safety standards our children deserve. Please work with us to make this the year of the safe school bus.

H. Neil Davis
President
OPSMTF.

# Along The Trails

with
The Highland Snowmobiler
and Rov Bates

Wasn't that a beautiful sight last Wednesday morning! I cannot recall ever before seeing snow-laden trees at the height of autumn colour. Sheer ecstasy! Pure delight! But not to those people who were without electric power because of it.

I wonder how many snowmobiles were cranked up that day. I wonder how many refused to start. I got around to mine after work and both ticked over without undue trouble. One, a single cylinder job, had a stuck carburetor pump. A light rap with a small wrench freed it. The twin required choking assistance with a hand over the air intake. Both were given a richer setting of the low speed jet to burn the old gas left in the tanks last April. This year there was no cloud of steam on first starting. A waxed paper cover on the air horn prevented collection of condensation and water-fouled plugs. Both machines sat outside all summer, one covered, one not. The covered one was dripping with condensation. Next year, no cover. At least not a tightly fitted one.

(We will be pleased to pass on your tried and proven tips for summer lay-up or pre-season preparation).

Last week was one of those times when I had nothing to write about. This week, not much more. I am still waiting for your letters.

And while you have pen and paper out, why not a letter to your M.P.P. And the Minister of Industry and Tourism, the Minister of Transportation and Communications, the Minister of Natural Resources. Or the Premier of Ontario. Or anyone else you know in Queens Park. They are still dragging their feet down there. We were promised a snowmobile trail program more than a year ago. If you find out what has happened to it, let me know. If you find out what they're doing with our two million dollars, let me know. They are about to start the collection for this year. Two and a half millions estimated. I am a little tired of this robbery. And I think you are. It's time to holler.

There is little hope now that you'll get your money's worth out of this year's registration but you could help us work toward next year. One way of doing this is to support the Haliburton County Snowmobile Association. We need the strength of your numbers. And your five dollar membership fee will go where your registration fee should be going - along the trails.

The SNOW BALL NUMBER THREE, the HCSA's first dance of the season, is shaping up to be a fun filled evening. There'll be excellent music, lots of special prizes, refreshments and hot pizzas available. Have a good time October 19th.

The HCSA trails committee, with Joseph Blair Chairman, reports that there will be a new off-road link in the Trail this season. The new trail will run Northward from Fort Irwin, at Haliburton Lake to the vicinity of the dump. Some work has already been done on it and will continue next weekend.

The business known as Bayview Birches Restaurant, at Fort Irwin, has changed hands since last season. The new owners will continue the snowmobile repair service and will also have fuel available at this favored topping-up point.

## MARRIAGE

FULMER-WUNKER

The Little Stone Church at Miners Bay was the scene of a very pretty wedding on Saturday, Sept 21 at 4 p.m. when Barbara Ann Wunker, daughter of Mr. and Mrs. William S. Wunker of Miners Bay was united in marriage with Mr. Michael Ernest Fulmer of Barrie, son of Mr. and Mrs. Howard Fulmer of Stayner, Ont.

The church windows were decorated with Fall arrangements of champagne daisies and yellow and bronze chrysanthemums, with a background of oak leaves.

Given in marriage by her father, the bride wore a gown of white polyester satin with full sleeves and long fitted cuffs. The V neckline, bodice and front panels were trimmed with lace. White velvet leaves, baby's breath and an open yellow rose adorned her headdress which held her waist length veil. Her only jewelry was a gold necklace, with a tiny pearl drop extending from an inverted heart set with seed pearls, which had belonged to her maternal grandmother. She carried an arm bouquet of golden shower roses with baby's breath and gold velvet streamers.

The maid of honor was Kathryn Wunker, sister of the bride. The bridesmaids were Nancy Jacobi of Toronto and Heather Bloom of Barrie. All three wore identical dresses of gold polyester crepe of similar design to the bride's, and carried old fashioned bouquets of champagne daisies and white chrysanthemums, with a background of fall foliage, and had dark brown velvet streamers.

The best man was Mr. Michael Dunphy of Aston Mills, Ont. and the ushers were Mr. Thomas Fulmer brother of the groom, of Elmvale, Ont. and Mr. Sidney Bloomheim of Phelpston, Ont.

The double ring ceremony was conducted by Rev. C. Roy Vanderlip of Norland, Ont. The soloist was Robert J. Wunker, uncle of the bride. The organist was Mr. Donald Buchanan of Toronto, who spends his summers at Miners Bay.

Following the ceremony a reception was held at Miners Bay Lodge, where the bride's mother received, wearing a long dress of blue floral sheer over taffeta. Her corsage was a single japhet orchid. Mr. Michael Dunphy was master of ceremonies, and Mr. Ronald J. Wood of Miners Bay gave the toast to the bride.

For going away the bride wore a cranberry pant suit, with white blouse and black accessories and a white gardenia corsage.

The bride was a graduate of Haliburton Highlands Secondary School, and both bride and groom are graduates of Waterloo Lutheran University (now Wilfred Laurier University). As the groom is Principal of King Edwards School in Barrie and the bride is employed by Simcoe County Board of Education, they will spend their honeymoon in Florida during the Christmas vacation.

The happy couple are now residing at Imperial Towers in Barrie.

Out of town guests were from Toronto, Hamilton, Oakville, Elmvale, Sudbury, Walkerton, Barrie, Woodstock, New Brunswick, Cincinnati, Ohio and Versailles, Indiana.

## OBITUARY

HEWITT
Harold Raymond

The eldest son of the late Mr. and Mrs. Albert Hewitt passed [redacted] at his residence [redacted] 19, 1974. He was born [redacted] Township on To[redacted]11, 1914, [redacted] known in the community having lived here all his life, except about fourteen years at Eagle Lake where he was employed at International Cooperage Co. until it closed down, moving back to Minden.

He was an active member for years in I.O.L. and was also a member of St. Paul's Anglican Church. He had been in ailing health for several months but death came as a shock to his family and friends.

He leaves his wife Beaulah Gay, four daughters and one son; Mrs. Wayne Anderson (Elaine), Mrs. Don Crowe (Opal), Mrs. Bryce Gilbert (Valerie) of Minden, Mrs. Don Kellett (Joy) of Winnipeg, Moyer of Minde. Also 12 grandchildren. One son Sterling predeceased him in Jan. of this year in a snowmobile accident.

He has two brothers, George and Milrray Hewitt of Minden and four sisters, Gladys Wruth, Alice Morrison of Minden, Mrs. Wilfred Crarey (Ileen) of Haliburton and Dora Dawson of Peterboro and one sister (Margaret) Mrs. Carlos Stamp (predeceased him in Feb. 1935).

Interment in Minden Cemetery on Sat. Sept. 21.

Death is but a path that must be trod
If we would ever pass to God.

## Kinmount man top fiddle

Gord Prescott of Kinmount scored high points at Shelbourne Old Time Fiddle Contest, and made this his third year in a row to win at the London Western Fair.

It was also his fifth year to entertain at the C.K.L.Y. Bandshell at Lindsay Central Exhibition.

TODAY'S HEALTH

## Lifestyles can increase risk of heart attack

by David Woods

Thirty or 40 years ago there wasn't much we could do about killer diseases — either avoiding them or curing them. If you contracted polio, say, or tuberculosis, your best hope was hope itself.

But since those days drugs have brought many once fatal diseases under control. Heart attack, once comparatively rare, is now the major cause of death in adults. In fact, the statistics are disturbing: the incidence of heart attack has increased by 60 per cent over the past 15 years. And it's still rising.

Unlike the diseases that killed our grandparents, though, heart attack is largely preventable. Not entirely, of course: sex, age and heredity must all be considered. Men are more liable to heart attack than women; older people more than younger; those with a family history of heart disease more than those without. Nevertheless, lifestyle is the important factor affecting risk; heart attack is strongly influenced by things that people do — or don't do. The individual has a great deal of control over his risk of suffering an attack.

For example, gaining weight places strain on the heart, so reducing weight reduces risk. Since most people add pounds because they eat too much or exercise too little — or both — the solution is readily apparent: sensible diet (including reduced amounts of cholesterol) and regular exercise. Similarly, since cigarettes have also been clearly implicated as a factor in heart disease, cutting down on —, or cutting out — smoking will further help your heart.

What causes heart attack is a build-up of fat in the coronary arteries; this gradually makes them narrower until, eventually, blood can't flow through.

Sometimes a heart attack comes without warning. Often the warning signs include shortness of breath, tightness in the chest, discomfort in the arms, dizziness, or fatigue.

Patients who may be risking attack are advised not to respond to these signs by engaging in strenuous activity. It's a natural reaction, in these circumstances, to want to test the heart. But that could trigger an attack; the proper course is to rest — and call the doctor. If the pain is severe, call him immediately.

Although 40 to 50 per cent of first attacks are fatal, tremendous strides are being made in rehabilitating patients who survive coronaries. Moreover, techniques are being perfected in coronary artery bypass surgery.

Nonetheless, heart attack is one area of health where an ounce of prevention really is worth a pound of cure.

## Cubs, Scouts Apple Day

BY GERRY FELTHAM

On Saturday, Thanksgiving weekend, the Cubs and Scouts will be distributing apples within Minden and surrounding area. The boys will have their baskets attractively decorated, and their apples well polished. Let us continue to give our finest support to their annual event. Already the cubs have got off to a fine beginning. In spite of the wet weekend, the cubs and their leaders had a rather enjoyable experience recently in their first over night camp out. Cubs know now that through persistence, it is possible to get their fires started and cooking done in the rain.

Two new cub leaders, Colin Hewitt (a previous scout), and Stephen Payne were invested on this occasion.

At their Sunday morning Church service, the following new cubs were also invested. Jim Coltman, Robbie MacLeod, Todd Manser, Gordon and Philip O'Reilly.

A special appreciation goes to Gerry and Audrey Heywood for providing their premises and accomm odation for this special event.

On Friday evening the cubs and leaders held their annual Father-Son Banquet at St. Paul's Anglican Church. A father, or a grandfather or a male adult friend accompanied a boy on this evening and everyone had a splendid time. The Minden Girl Guides, 2nd Company, with their leaders, served a delicious meal which was heartily consumed. Following the comments from Don Blakey (Cub Master) and Gerry Heywood (Group Committee Chairman), greetings from Hugh Jones (District Cub Commissioner for Victoria County) remarks by Lloyd Johnson and the Rev. Andy Hutchison (two persons who did much to revive the scouting movement in this area), Mr. Alec Millar of the Ministry of Natural Resources provided a fascinating film re: Survival in the Wilds of Northern Quebec.

Highlights at the banquet were the special recognition given to the following cubs for their fine performance through the year.

Trees for Canada - Cubs - Stanley Brown, Craig Coneybeare.

Scouts - Steve Roman, Joe Dollo.

Top Six - Andrew Feltham, Shane Blakey, Stanley Brown, Danny Pratt, Jeff Stamp, Jack Prentice.

Perfect Attendance Award - Kevin Forbes, Raymond Kunkel.

Best Cub of the Year Award Andrew Feltham

Runner-up - Mike Pearson.

The following badges were also presented:

Stanley Brown - Woodsman, Personal Fitness.

Greg Pearson - Swimmer, Gardener, Handyman.

Mike Pearson - Gardener, Handyman.

Father Hutchison presented Robbie Heywood, David Hutchison, Craig Coneybeare, Scott Arbuthnot and Shane Blakey with their Religion and Life Badge.

# Recreation Committee meets

Eighth Meeting of the Minden Recreation Committee

The eighth meeting of the Minden Recreation Committee was held Thursday, Sept. 26, 1974 at 7.30 p.m. in the Municipal Building.

Present were Norman Harrison, Chairman, Lloyd Harrison, Vice-Chairman, Richard Parisotto, Sec.-Treas. Muriel Welch, Member and Brian Sisson, Arena Manager.

Moved by Richard Parisotto -Lloyd Harrison that the minutes of the meeting of July 11, 1974 be approved. Carried.

Mr. Jerry Pillsworth, Pres. of the Minden Monarchs Intermediate 'C' Hockey Team was present to arrange for an agreement for use of the arena facilities. Discussion was held on various aspects of the proposed agreement and the Secretary was directed to prepare a draft for perusal.

Letter of appreciation was received from the County Library Board for use of the Community Centre for a children's theatre.

Moved by Muriel Welch-Richard Parisotto that the Committee agree to pay 50% of the cost of approved uniforms for the Arena Manager and Assistant to a maximum of $150. for both men. Carried.

Moved by Lloyd Harrison - Muriel Welch that the recommendation of the Rotary Agreement Sub-committee be approved and the Chairman and Secretary be authorized to execute an agreement accordingly. Carried.

Moved by Muriel Welch - Tom Prentice that the report of the Secretary-Treasurer relative to a cost of living increase for Arena personnel be approved. Carried.

The Concessionaires' Reports for July and August were received and perused.

The Secretary-Treasurer presented a verbal report on the status of the ball diamond.

The Arena-Manager presented a verbal report on the preliminary ice schedule for 1974-75 season.

Moved by Tom Prentice - Lloyd Harrison that we do now adjourn. Time - 9.35 p.m. Carried.

# THE EXPROPRIATIONS ACT

# NOTICE

## of Application for Approval to Expropriate Land

### THE CORPORATION OF THE PROVISIONAL COUNTY OF HALIBURTON

IN THE MATTER of an application by the Corporation of the Provisional County of Haliburton for the approval to expropriate lands in the Township of Anson FOR THE PURPOSE OF the reconstruction of the Deep Bay Road (County Road #2).

Notice is hereby given that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

The approving Authority is

The Corporation of the Provisional County of Haliburton, Minden, Ontario.

The Corporation of the Provisional County of Haliburton
(name of expropriating authority)
Jack Cox - County Engineer

## NOTES

1. The Expropriations Act provides that,

(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed $200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. 'owner' and 'registered owner' are defined in the Act as follows;

'owner' includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

'registered owner' means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the property registry, land titles or sherriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

## SCHEDULE

All right, title and interest in the following lands:

1. In the Township of Anson, in the Provisional County of Haliburton, in the Province of Ontario, being,

(a) Parts of Lot 4, Concession 1, designated as PARTS 1, 2 and 3, on the Corporation of the Provisional County of Haliburton plan, deposited in the Registry Office for the Registry Division of Haliburton (No. 19) as Plan 19R-342.

2. In the Township of Anson, in the Provisional County of Haliburton, in the Province of Ontario, being,

(a) Part of Lot 3, Concession1, designated as PART 7, on the Corporation of the Provisional County of Haliburton plan, deposited in the Registry Office for the Registry Division of Haliburton (No. 19) as Plan 19R-342.

This notice first published on the 26th day of September, 1974.

# NOTICE

NOTICE of application to The Ontario Municipal Board by the Corporation of the Townships of Anson, Hindon and Minden for approval of a by-law to regulate land use passed pursuant to Section 35 of The Planning Act.

TAKE NOTICE that the Council of the Corporation of the Townships of Anson, Hindon and Minden intends to apply to The Ontario Municipal Board pursuant to the provisions of Section 35 of The Planning Act for approval of By-law 74-29 passed on the 14th day of August, 1974. Provisions of the By-law are furnished herewith.

By-law 74-29 being a by-law to amend By-law 14-67 being the Restricted Area By-law, to re-zone certain property 'Seasonal Residential.'

Whereas authority is granted under Section 35 of The Planning Act, R.S.O. 1970, subject to the approval of the Ontario Municipal Board to the Council of the Corporation of the Townships of Anson, Hindon and Minden to exercise such power.

Therefore the Council of the Corporation of the Townships of Anson, Hindon and Minden enacts as follows:

## 1. Section 4 - GENERAL PROVISIONS

The following is added to Clause 4.1 between the defined area as 'Residential A - RA' and 'Resort Commercial A - RCA':

'Seasonal Residential - SR'

## 2. Section 5 - REQUIREMENTS FOR RESIDENTIAL USES

The following is added to Section 5:

5.12 SR Permitted Uses

No person shall use land or erect or use a building or structure in a Seasonal Residential Zone (SR) except for those permitted uses allowed under Clause 5.1

5.13 SR Minimum Requirements

No person shall use land or erect or use a building or structure in a Seasonal Residential Zone (SR) except in accordance with all the minimum requirements outlined under Section 5.

## AREA RE-ZONED

The designation of a parcel of land situate, lying and being in the Township of Minden in the Provincial County of Haliburton, being composed of Part Lot 8, Concession 13 in the said Township and being more particularly described as follows:

A draft plan of subdivision submitted to the Minister under File 46T-22365 containing seven (7) waterfront lots;

Be changed from Residential (R) to Seasonal Residential (SR) as outlined in Clause 4.1 of Bylaw 14-67.

READ A FIRST, SECOND and THIRD TIME and passed this 14th day of August, 1974.

_____
Reeve

_____
Clerk

ANY PERSON INTERESTED may within fourteen (14) days after the date of this notice, send by registered mail or deliver to the Clerk of the Townships of Anson, Hindon and Minden notice of his objection to approval of said by-law, together with a statement of the grounds of such objection.

ANY PERSON wishing to support the application for approval of the by-law may within fourteen (14) days after the date of this notice send by registered mail or deliver to the Clerk of the Townships of Anson, Hindon and Minden, notice of his support of approval of the said by-law together with a request for notice of hearing that may be held giving also the name and address to which such notice should be given.

THE ONTARIO MUNICIPAL BOARD may approve of the said by-law but before doing so, it may appoint a time and place when any objection to the by-law will be considered. Notice of any hearing that may be held will be given only to persons who have filed an objection or notice of support and who have left with or delivered to the Clerk undersigned the address to which notice of hearing is to be sent.

THE LAST DATE FOR FILING OBJECTIONS WILL BE OCTOBER 24th, 1974.

DATED at the Townships of Anson, Hindon and Minden this 10th day of October, 1974.

# For Pete's Sake!

For Pete's Sake!, a film credited as "unique in its capacity to reach out to meet the problems of people, will be shown on Sunday, October 13th, at the Haliburton Highlands Secondary School.

The full-length comedy-drama, filmed in brilliant Eastmancolor by World Wide Pictures, will be shown once beginning at 7 p.m., and is open to the public at no admission charge.

Filmed entirely on location in Denver and the Colorado Rockies, For Pete's Sake! is the story of Pete Harper, a family man and service station owner, who is knocked flat by unexpected problems, but finds the strength to stand up again, to face life anew.

For Pete's Sake! has been seen nationwide by over three million persons in theatre premieres, and has been cited by one film critic as "the perfect mixture - it's drama at its boldest, comedy at its lightest, and action at its liviest. For Pete's Sake! is a family film, not only because it is good family entertainment, but because through its storyline, families can see and feel exactly what is needed to develop deeper understanding and build stronger ties."

For Pete's Sake! stars Robert Sampson, who also starred in World Wide's The Restless Ones. Pippa Scott, as Pete's wife, Margo, is well-known for her Broadway appearances and numerous television roles. John Millard and Sam Groom are both familiar to television audiences.

Other featured players include Johnny Jensen as Pete's son, Irene Tedrow as Grandma Harper, and Nicolas Surovy as Skip, the leader of a motorcycle gang.

A cordial invitation is extended to all families of the community by Lt. Wm. Savage of the Salvation Army, who has made arrangements for this special showing of For Pete's Sake!

# Haliburton County Council meets

County Council of the Provisional County of Haliburton met in the Council Chambers at 10.00 a.m. Wednesday, September 18, 1974, for the regular September session with Warden Murray Fearrey in the Chair, all members in attendance with the exception of Mr. A.L. Leak on vacation.

Warden Fearrey acknowledged the excellent County Crest Hanging made by the Eagle Lake Women's Association and presented to the County as a Centennial project.

RESOLUTION NO. 101/74

THAT the minutes of the Regular Meeting of June 10, 1974, and the Special Meeting of August 15, 1974, be accepted as circulated.
Carried.

RESOLUTION NO. 102/74

BE IT RESOLVED THAT a letter of appreciation be sent to the Eagle Lake Ladies' Association thanking them for the Banner Crest for Haliburton.
Carried.

Finance Chairman confirmed that all accounts had been inspected and found to be in order. He expressed the Committee's concern about grants allotted to new concerns prior to establishment and fulfillment of purpose. Early payment of County levy is reaping economic benefits which will reflect in the next County budget.

RESOLUTION NO. 103/74

THAT payment be approved of cheques numbered 273 to 472, list of which has been circulated, in the amount of $186,282.63.

The Clerk read letters as directed by the Correspondence Committee from the list circulated to all members:
The Honourable John R. Rhodes: reference Muskoka Road 61 in reply to the County; The Ministry of Natural Resources: Historical Research Project through Leslie M. Frost Natural Resources Centre.
To Mr. J.D. Hodgson, Director, Haliburton County Board of Education: infill rate subsidy and grants. The Hon. John White, the Hon. Arthur Meen, and Mr. V.M. Newman: Provincial equalization factors; The Hon. Rene Brunelle: approved 1974 Estimate for Kawartha-Haliburton Children's Aid Society; Victorian Order of Nurses: Establishment in County, and request for representative delegate from County Council on V.O.N. Board; Township of Glamorgan: request endorsation of letter to Minister Indian Affairs and Northern Development petitioning control of water levels; Township of Yarmouth: non-returnable bottles; Town of Whitby: Procedures of Liquor License Board; County of Frontenac: requesting consideration by province for municipalities threatened by wolf killings. Miss Joy Johnson, on behalf of five OFY project students, re. Anthology written on OFY Grant, requesting assistance for publication. Mrs. Nila Reynolds: contact interested in producing an atlas for Victoria and Haliburton; J.A. Curtis: expressing concern and requesting information on extent of any widening and construction which might be planned for the Ingoldsby Road.

RESOLUTION NO. 104/74

THAT the Report of the Correspondence Committee be accepted as presented.
Carried.

The County Road Report was presented by County Engineer Jack Cox who explained the by-laws being presented on the recommendation of the Road Committee, and outlined the concern of the Road Committee about maintaining assumption of roads at a level which will not produce undue hardship for financing and yet permit some construction.

The meeting was adjourned at 11.45 a.m. for noon recess and reconvened at 2.00 p.m. for further discussion of the County Road System.

RESOLUTION NO. 105/74

THAT the County Council concurs with the Road Committee approach re. the County Road System and their request to the Minister for more County Road subsidy.
Carried.

RESOLUTION NO. 106/74

BE IT RESOLVED THAT the County do wholeheartedly support the resolution by the County of Frontenac regarding control of Wolves and Bounties.
Carried.

COUNTY RESTRUCTURE

All members were provided with a summary of the replies from each municipality following their consideration of whether they were in favour of a study under the County Restructuring Studies Program,me. Six municipalities had passed resolutions in favour and four against a study.

RESOLUTION NO. 107/74

BE IT RESOLVED THAT the Provisional County of Haliburton proceed with a restructuring study of our county providing that we are not bound by the results of such a study and that this be clearly understood by the Ministry from the start.
Carried.

Nine of the members spoke to the motion, and the resolution was carried with eleven yeas and five nays.

RESOLUTION NO. 108/74

THAT By-law 915, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of authorizing and empowering the Warden and Clerk to sign the application forms to purchase Crown lands and for patent fro Crown lands now being used as right of way for County Road #1.
Carried.

RESOLUTION NO. 109/74

THAT By-law 916, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of authorizing and empowering the Warden and Clerk to sign the application forms to purchase Crown lands and for patent fro Crown lands now being used as right of way for County Road #1.
Carried.

RESOLUTION NO. 110/74

THAT By-law 917, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of authorizing expropriation of property for road widening purposes on County Roads.

RESOLUTION NO. 111/74

THAT By-law 918, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of adjusting the remuneration to the County Engineer and Road Superintendent of the Provisional County of Haliburton.
Carried.

RESOLUTION NO. 112/74

THAT By-law 919, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law to approve By-law 74-9 of the Municipality of Dysart et al, a by-law to confirm and update By-law 1161 of the Municipality of Dysart et al for the purpose of closing part of the original road allowance between Lots 15 and 16, Concessions 9 and 10, in the Township of Harburn.
Carried.

The Property Report was presented by Chairman Lloyd Walker.

Chairman James Harrison gave a favourable report on the operation of Hyland Crest Senior Citizens' Home.

Roy Brohm reported increased circulation in the Haliburton County Public Library and branch libraries throughout the County, with meetings being rotated to various branch libraries. A solution is to be arranged for problems encountered in the Dorset Library located on the boundary of Muskoka.

Gary Agnew presented a full report on the operation of the Haliburton Kawartha Pine Ridge District Health Unit.

Gary Agnew as Chairman of the Centennial Committee reported a good year with events well attended.

Larry Perrott, Secretary-Manager of the Haliburton Highlands Chamber of Commerce, was asked for a report on Chamber of Commerce activities. It was a busy year for enquiries and he hopes to accept the accommodation offered by the County for the winter months and move the office into those premises shortly. Mr. Perrott informed Council about the good progress being made with preparation of combined brochure for the County which is being well received and replacing the guides and map booklet.

Mr. George Dove, Local Director of the Kawartha Haliburton Children's Aid Society, addressed Council, reporting on present foster care on behalf of the County, and explaining the current basis of cost distribution.

RESOLUTION NO. 113/74

BE IT RESOLVED that the County do concur with a motion re. Children's Aid dated March 21, 1974 by the County of Lanark.
Carried.

The September meeting of County Council was adjourned at 3.30 p.m.

## ABOUT THE TOWN

with Jeanne Sears

This County should soon be cleared of car wrecks. We have noticed many trailer loads of car bodies being trucked out of our town. Wonder where our country is selling this scrap metal this time - one other time this metal was sold to Japan and ended up in their Navy used against the Allied Nations in World War 2.

Mrs. Loyse Cox and Mrs. Allan Kernohan of Oshawa are visiting Mr. and Mrs. Ivan Cox and family in California.

At the L.O.B.A. Card Party last Monday night at the Orange Hall winners were for cribbage Bill Bennett, for euchre Lone Hands, Rene Burns, Greta Alsop, Marion Snell, Phil Robinson and Bill Hounsell. During the lunch time a draw was made and winners were, of the crochet centrepiece Mrs. Patterson, Mississauga, Pillowcases - Marjorie Coulter and cushion May Wright.

Some people report that small flocks of wild geese are spending a night on ponds or in their fields on their way south.

Sincere sympathy to the families and friends of the late Florence Redman and Sid Jennings whose funerals were since last week.

Derek Hewitt and Suzanne Décheanes from Alberta were in Minden last month to attend the wedding of Derek's sister, Carol to Mr. David George Francis.

The first Mini Card Party at the Parish Hall last, Thursday afternoon had a small crowd playing cribbage, bridge and euchre. Winners were for cribbage Joyce Hewitt and Isobel Bingham, bridge Doris Craig and euchre lone hands (on a cut of cards) Vera Fuller and Johanne Beatty. At this time the crowd met the new incumbant, the Rev. Douglas Brown and all enjoyed a social time and the Mini lunch. Everyone is welcome to come and enjoy an afternoon of cards and a cup of tea or coffee and cookies, time is 1.30 p.m. at St. Paul's Parish Hall.

All her friends send good wishes to Mrs. Earl Ward at Ross Memorial, Lindsay.

Mrs. Bill Barkwell of Lahr, Germany, who has been spending a few weeks with her family and friends in Oromocto, N.B., is now visiting her parents, Mr. and Mrs. Taylor Kernohan.

Mrs. Audrey Pipher is presently visiting her friend, Mrs. Phyllis Nielsen at her cottage.

Our Lady of Fatima Altar Society will be holding a Rummage Sale in front of the Bank on Saturday, Oct. 12 from 10 a.m. on.

When the Women's Institute planned their Fall bus trip it was to see the beauty of the Fall colors, but when they left Minden on Oct. 2, all they saw was snow. The ground was white and the trees covered with some of the beauty of the leaves peeping through the snow covered branches. Nothing daunted the 47 Ladies and wee lassie who took the trip and they proceeded to make the most of their outing. Their first stop was at Bancroft where they visited the wool shop, then on towards Peterboro. A visit to the Pine Grove cheese factory proved very interesting, as well as financially beneficial to the store; then on to Lakefield and past the Lift Locks and on into Peterboro, where the first stop was made at the K Mart Shopping Plaza. It was there the group split up for a few hours and some went to Towers and some to Simpsons, then gradually the bus filled up again with ladies and parcels and we headed for home. By this time there was no sign of snow and from Lindsay north to Minden the Hwy. 35 was beautiful with color and the closer we got to home the more colorful the trees were and it was just 6 pm when the ladies got out of the bus on Main Street.

This was the fourth Color Tour Trip taken by the Women's Institute, but the FIRST where all we saw for 50 miles was snow, but thanks to our congenial bus driver, Mr. Bill Holland, we didn't mind the trip and we'll do it again but next year we hope the grass is green, not white.

Lot of traffic weekends with people visiting to see the color, but afraid the leaves may come down before the holiday weekend.

Cheerio until next issue.

## The Registry Office

Many changes have been made over the years from a very small single room building to the spacious modern and well appointed office with ample room for the many services which the staff have to contend with. There is also accommodation for those wishing to examine and search titles, etc.

The average citizen has not the faintest idea of the varied and complex duties that take place in this modern building. The following are but a few of the more important legal documents which have to be recorded and filed. They consist of deeds, mortgages, assignment of mortgages, discharge of mortgages, Estate tax certificates from both the Federal and Provincial Governments, Wills (after death), tax arrears certificates, subdivision plans, reference plans, highway plans, court orders, leases and assignment of leases, file deposits, by-laws, county road plans, amalgamation of companies and a host of lesser legal documents.

Referring again to the many changes which have been made in the old buildings and in the erection of new additions since 1874, these changes have been made necessary due to the ever increasing amount of business being transacted in the office.

There is quite an interesting piece of information contained in the minutes of a session of the County Council Meeting held in June 1895, pertaining to the land on which the office was situated and the acquisition of an additional piece of property on which to build a new office.

On page 4 of the copy of the minutes, the following appears quote -

'The clerk then laid the correspondence with the Department of Public Works, Ontario, re new registry office, before the council and explained that to meet the statute regarding sites of Registry Offices, it had become necessary for the county to purchase an additional twenty feet frontage to the property owned by the county and partly occupied by the county offices and that after consulting with members of County Council on the subject, and owing to the urgency of the Commissioner of Public Works to have the new Registry Office commenced without delay, he had negotiated with Mr. Reuben C. Garratt, the owner of the adjoining property for the purchase of the necessary 20 feet, for which Mr. Garratt demanded the sum of $60. Moved by Mr. Hicks, seconded by Mr. Pritchard that this Council confirm the negotiations entered into by Mr. Delamere, Clerk of County Council re lot for Registry Office. - Carried'.

Note (Mr. Garratt was the County Jailer).

Haliburton County is composed of twenty three townships with over one million acres of land. A few of the statistics taken from the records of the Registry Office for the year 1973 are as follows -

Deeds registered - 2581
Mortgages registered - 1117
Mortgages discharged - 1182
Wills registered (after death) 117
Mechanics liens registered - 21
Leases registered - 79
Patents registered - 53.

In total there were 6299 documents registered and for these registrations and other services provided to the public from the registry office, there was $74,674.92 submitted to the government plus a total sum of $125,790.17 collected for the tax branch of the government, making a grand total of $200,465.09.

There are three very important documents which I understand are not registered in the Registry Office and I am sure the reader would like to know the reason for this. I refer to Birth Certificates, Marriage Certificates and Death Certificates. I understand that these vital documents are registered in the municipal offices and in church records.

# Lutterworth council meets

The regular meeting of Council was held this day, all members being present and Reeve Robert Beesey in the Chair.

Mrs. Florence Ecclestone was present to discuss an application for land severance.

Mr. and Mrs. Gerditschke were in attendance to discuss an application for a building permit made on behalf of their parents, Mr. and Mrs. George Brandt.

It was moved that the minutes of the August 13, 1974, meeting be adopted as circulated to all members.

Council agreed that the stop work order presently against part of Lot 31, Concession A in the name of George Brandt be lifted, provided that the Ministry of Transportation and Communications had no objection to the construction.

The following Severance Applications were given approval: H-280/73 (Ecclestone); H-276/74 (Armstrong); H-289/74 (Hulbig); H-109/74 (Evans); H-285/74 (Taylor); H-297/74 (Mee).

A resolution was passed that the Poundkeeper be allowed the amount of $2.50 per day per dog on account of feed and board, and that our By-law Enforcement Officer be authorized to have a wire pen constructed to house stray dogs.

It was agreed that the Township should put up 800 yards of winter sand and purchase 40 tons of salt.

Members of Council agreed that a Dead End Sign should be purchased and installed at the entrance to the Sandy Bay Road from Highway No. 35.

It was passed that anyone using their own vehicle for Township business is to be paid at the rate of 15¢ per mile when authorized by the Road Superintendent.

A motion was passed authorizing the Road Superintendent to attend the Good Roads School at Huntsville, Ontario, on October 21 and 22, 1974.

By-law Number 15-74 was read a first, second and third time, passed, signed and the Corporate Seal attached.

BEING a By-law for the purpose of amending By-law No. 5-73 to regulate the hours of work, wages, vacation allowances, sick leave and other benefits for employees of the Corporation of the Township of Lutterworth.

It was agreed that the following accounts be paid:

General - $1,324.94; Roads - $4,325.75; Welfare - $858.65.

The meeting was then adjourned until called by the Reeve.

# Special Lutterworth council meeting

A special meeting of Council was held this day for the purpose of hearing certain problems pertaining to building permits and to complete any other outstanding business. All members of Council were present, and Reeve Robert Beesey took the Chair.

Mr. Paul Pilon was in attendance to discuss Severance Application No. H-331/73, and a moving and building permit application.

The meeting was called to order. It was moved that Motion No. 8 of Nov. 13, 1973, be rescinded (pertaining to Severence #H331/73) and that severence No. H-331/73 be denied since the same does not conform to the set-back provisions contained in Restricted Area By-law No. 13-72 as amended.

Council agreed that a permit should be granted to Mr. Pilon to relocate and place on a foundation a building on part of Lot 34, Conc. 6, Township of Lutterworth, provided that the same complied with Restricted Area By-law No. 13-72 as amended.

It was moved that our By-law Enforcement Officer be bonded for the amount of Ten Thousand Dollars, ($10,000.00) immediately.

An application for expansion of existing trailer sites was submitted by Pine Ridge Lodge. Council was in favor of expansion at Site #2 as shown on an accompanying sketch, but queries expansion at Sites # 1 and #3 until such time as further details regarding number of trailer sites and size of same and zoning were supplied.

A resolution was passed authorizing the lifting of the Stop Work Order placed on part of Lot 22, Conc. 1, being Lot 3, Plan 379, Township of Lutterworth, in the name of Doreen Gray.

The members of Council agreed to sell to Mrs. A.C. Bradley part of the West half of the road allowance between Lots 25 and 26, Conc. 6, extending from the lakeshore 66-foot road allowance to the old King's Hwy provided that the purchaser assumes all costs, including survey expenses.

It was passed that the Deputy Returning Officers and Poll Clerk hired for the forthcoming municipal election be paid at the rate of $25.00 per day for their services.

The following Roll and tax revisions were authorized by Council:

1. The assessment on property Roll No. 120 040 03000 be decreased from $235. to $170. since the trailer on said property has been removed; that the tenant portion of this property in the name of Ridney Bell be deleted from roll.
2. That Roll No. 090 270 00300 be deleted from the roll as a duplicate.
3. That the assessment for property Roll No. 020 070 00200 be decreased from $240. to $150. since a building assessment of $90. was added to the same in error.
4. That properties Roll Nos. 050 161 03600, 040 161 02000 040 170 01000 be deleted from the roll since the same are presently being used as rights of way, and that the current taxes already paid in account of these properties be refunded.
5. That the 1973 taxes in the amount of $15.29 for property Roll No. 010 220 00400 be refunded to Mr. Robert Mais who was billed for the same and paid the same in error when in fact he did not own this property.
6. That the amount of $4.41 representing an overpayment of 1973 taxes for property Roll No. 100 180 03001 be refunded.

The meeting was then adjourned until called by the Reeve.

# Haliburton man shot in Oshawa

A Haliburton area man is in hospital with a gunshot wound, an Oshawa mother of three is dead and a 36-year-old construction worker has been charged with murder following a shooting incident at Oshawa.

William Joseph Elliott of Whitby was arrested after Constance Storm died in Scarborough General Hospital eight hours after being shot in the head on Sunday morning, Sept. 22.

In good condition in Scarborough General Hospital is Laverne Woolley, 27, of RR 2, Haliburton, who was shot in the head in the same incident. Police said he may lose the sight of one eye.

Police said Woolley staggered on to the street at Cedar and Wentworth Streets and hailed a passing car to get help. Police are holding a .22 calibre revolver found in a field in Whitby.

# Now: a new minimum wage in Ontario

## Effective October 1st, 1974

Ontario's new minimum wage covers people employed in general industry, construction work, domestic service, ambulance service, funeral service, including students and learners.

If you or your employees fall into these categories, it is important for you to know what the law now requires.

People employed by agencies as domestics, and people working as funeral directors or embalmers must now be paid not less than $2.25 an hour. Learners in General industry must be paid at least $2.15 an hour during their first month of employment and at least $2.25 per hour thereafter. People employed in construction work or as construction site guards are now entitled to at least $2.50 an hour. There is no learner rate for the construction industry. Ambulance drivers, helpers, and first-aid attendants must now receive at least $108.00 per week or, if they work fewer than 48 hours a week, $2.25 an hour. Students under 18 who work 28 hours a week or less, or during school holidays, must receive at least $1.90 per hour.

When employees occupy a room or eat meals supplied by their employer, $9.00 per week for the room and $1.00 for each meal or $21.00 per week for meals or $30.00 a week for room and meals may be included when calculating the minimum wage.

As for overtime pay, until December 31, 1974, it will be 1½ times the regular pay after 48 hours a week. From January 1, 1975 on, the time-and-one-half rate will apply after 44 hours a week. And from January 1, 1975 on, there will be three more holidays with pay—New Year's Day, Victoria Day, and Thanksgiving Day—added to the current statutory holidays: Good Friday, Dominion Day, Labour Day, and Christmas.

# Anson, Hindon and Minden hold special meeting

The 17th Meeting (Special) of the Council of the Townships of Anson, Hindon and Minden was held Wednesday, Sept. 25, 1974 at 9.00 a.m. in the Council Chambers, Reeve Reg Booth was in the Chair and present were: Deputy Reeve, Douglas Pritchard, Councillors, S. Brandon, A. Coneybeare, Richard Parisotto, Clerk-Administrator, J. Earl Hewitt, Road Superintendent and Richard Schell, By-law Officer.

Moved by S. Brandon-A. Coneybeare that the minutes of the meeting of Sept. 4, 1974, be approved.
Carried.

Moved by A. Coneybeare-D. Pritchard that this Council convey to Mr. George Finley sincerest appreciation for his service to the Community as a Member of the Committee of Adjustment. And that the Resignation of Mr. Finley be accepted with regret.
Carried.

Letters were received from the Ministry of the Environment regarding Ministry of Environment Office space in Minden.

Letter of appreciation was received from the Minden Agricultural Society for the added support given this year.

Moved by S. Brandon - D. Pritchard that G.E. Hampson be granted permission to sink a cistern near the lakeshore provided any crossing of pipes under the road be done to the satisfaction of the Road Superintendent.
Carried.

Mr. and Mrs. George Conway were present regarding a proposed severance in Lot 12, Conc. 1, Minden Township. The application is to be approved on condition that the severed piece is added to the existing holdings of the purchaser and does not become a seperate lot.
Moved by S. Brandon - D. Pritchard that the accounts be approved in the following amounts.

General - $157,192.07
Water - 6,625.05
Carried.

Moved by A. Coneybeare - S. Brandon that the Road Accounts be approved in the amount of $17,[illegible]6.13.
Carried.

Moved by D. Pritchard - S. Brandon that a Taxi Drivers' License be granted to Mr. Ralph A. Ilnstead.
Carried.

Moved by A. Coneybeare - D. Pritchard that the tender of The Canadian Salt Co. for the supply of 100 tons of coarse road salt be accepted in the amount of $17.278 per ton delivered, subject to the approval of the District Municipal Engineer.
Carried.

Moved by S. Brandon - D. Pritchard that the tender of Thompson Crushed Stone for the screening of 3000 yards of sand for winter control be accepted in the amount of 51¢ per yard, being the lowest tender received and subject to approval of the District Municipal Engineer.
Carried.

Moved by S. Brandon - D. Pritchard that an annual rental of $100. be imposed on persons having built on a road allowance but having no adjacent property. The occupation to continue on a year to year basis at the discretion of Council with such rental becoming effective immediately.
Carried.

Letter was received from the Ministry of Transportation and Communications regarding a proposed road on the concession between Lots 15 and 16, Conc. 5, Minden Township. Mr. Bruce Nesbitt to be advised of the Ministry's report.

Moved by D. Pritchard - S. Brandon that Mr. Hugh Alton be advised that on application to re-zone his property to commercial purposes and ultimately, sever the commercial and rural portions will receive favorable consideration when sufficient frontage and area has been added to the existing holdings.
Carried.

Moved by D. Pritchard - A. Coneybeare that we do now adjourn. Time - 12.45.
Carried.

## RUSSIA HUMILIATES TEAM CANADA

If there is ever another Canada-Russia hockey confrontation, all games should be played on this side of the world or if this is not possible, all further series to start in Russia and end in Canada.

Russia won the summit series this time with Team Canada, 11 points to five by virtue of four wins, a loss and three ties, officially. Unofficially Team Canada won two games, as the final buzzer had not yet sounded ending the seventh game and Bobby Hull scored what in this writer's opinion was the winning goal with still three or four seconds left in this game. However, the series is over and there is nothing that can be done to change the outcome now. There is however something we can do to see that there is never ever another summit series like this one.

First of all, Allan Eagleson must be the head of any further Canada-Russia series. Secondly, only NHL or WHA referees and rules to apply. And, like I said, all games to be played in the Western Hemisphere. Another consideration that the heads of the next series must employ, is the best players to represent Canada. Not one league. Both the NHL and WHA as well as any outstanding Junior in this country must be on this next team in 1976, if that is when the next series is to take place. The series to take place in January or February, not September. If the series is split, then the first four from now on to be played in Russia.

After the deplorable accommodations and treatment of our Canadian officials at this past series, the Russians should never be allowed the same opportunity in the future. Getting back to the series itself, I'd have to go with Ralph Backstrom as the outstanding Canadian player. Once again, Valery Tretiak has to be the most outstanding player for the Soviets. The most gentlemanly players from both sides are Bobby Hull and Alexander Yakushev. The top player of the series is hard to pick as there were so many fine individual performers. For Canada, Backstrom, Hull, Howe, Stapleton and Lacroix. For the Soviets, Tretiak, Yakushev, Vasiliev, Kharlamov and Maltsev. My personal choice would have to be Tretiak for his fantastic goalkeeping. He was the one person who made the absolute difference between Canada winning or losing this series. Anyone who disagrees can ask Serge Barnier, who with any other goalie in the nets would have had at least five goals.

## DOMINION HOTEL 1974 SENIOR CHAMPIONS

The Dominion Hotel Shufflers captured the Haliburton Senior Softball Championship on Sunday afternoon in Minden, with a 4-2 victory over Gull River Buildall.

Dominion opened the scoring in the first inning, opening up a 2-0 lead and never looked back. Gary Brohman led off with a double to left centre, stole third and scored on a fly to centre; Gene Newell followed with a walk, took second on a passed ball and scored on a two base throwing error by the Builders. The Shufflers increased their lead to 4-0 in the top of the fifth, when Gary Brohman singled and Gene Newell followed with a towering home run to left field.

The Builders got two back in the bottom of the fifth when Wayne Johnson singled, went to third on Leigh Bull's single and came home on Doug Heath's bunt single. George Simmons then brought in Leigh with a single down third base.

Jack Snell pitched another fine game for the Shufflers, allowing two runs on six hits, a walk and struck out five to get the win. Rick Hartwick took the loss for Gull River. He gave up four runs on nine hits, walked two and fanned four.

This brought to an end another successful season in the Haliburton Senior Softball league and the 1975 season promises to be another great year.

## DAVE SAWYER ROLLS HIGH TRIPLE

In Commercial Men's league action this past week at Medley's Bowl in Carnarvon, the Minden Progress's Dave Sawyer rolled the high triple of the young season, 873. Dave had singles of 238-323-312 for 873. This erased the previous high triple of 864 rolled by Neil Burk last week. Other high triples bowled in the Commercial league this week were, Ron Robinson Jr., 744, Doug Heath, 710, Doug Robinson, 705, Doug Robertson, 689, Wes Stata, 687, Ross Keefer, 647 and Fred Cox, 634.

High Single is still 415 by Neil Burk and the high average is 254 held by Doug Heath.

THANK YOU

Stanhope Firemen's Association wish to thank all merchants and businessmen for their kind donation of prizes to the successful dance held Saturday, October 5

*The Liquor Licence Act*

**NOTICE**

**OF APPLICATION**

**Licensing District No. 7**

TAKE NOTICE that Neil O. Foster - John D. Hogg of the Village of Carnarvon in the Township of Anson, Hindon and Minden will make application at a Special Meeting of the Liquor Licence Board of Ontario to be held at the Royal Canadian Legion, 217 Murray Street in the City of Peterborough in the County of Peterborough on Tuesday the Twenty-ninth day of October, 1974, at the hour of 10.00 o'clock in the forenoon for the issuance of a Dining Lounge Licence, for the Sale and Consumption of Liquor where food is available.

For the following premises: Mr. Fogg's Dining Room & Coffee Shop, Restaurant, Concession 13, Lot 15, Minden Township, Ontario.

Any person who is resident in the licensing district may object to the application, and the grounds of objection in writing shall be filed with Mr. R.J. Browne, (Acting) the deputy registrar of the licensing district, whose address is 55 Lakeshore Boulevard East, Toronto, Ontario, M5E 1A4, at least [illegible] before the meeting at which the application is to be heard.

Dated at Carnarvon this 26th day of September, 1974

Neil O. Foster,
John D. Hogg

## OBITUARY

REDMAN

Florence Gertrude, R.N. (nee Smith) born May 25, 1892, formerly of Toronto, resident of Boshkung Lake, R.R. 2, Minden for the past 11 yrs., passed away quietly in her home on Sept. 30, 1974, in her 83rd year. Predeceased by one sister, Mrs. A. Taylor. Survived by her sister Mrs. Kathleen Lunham, 1 daughter, Mrs. A. Wilson of Toronto, 2 granddaughters, Mrs. Louis Abbott of Waterloo and Mrs. Judy Ayerst of Toronto and 3 greatgrandchildren, Tommy, Laurie and Mathew.
Services were conducted Oct. 3, 1974 at Welch Funeral Home, Minden, by Rev. Brown of St. Peter's Anglican Church, with interment at St. Peter's Church Cemetery Maple Lake.
Mrs. Redman enjoyed a distinguished career as a nurse and will be remembered for her keen mind and compassionate spirit.
